# News from the Air-convention

- EB/WGSR focus on review of the (amended) Gothenburg Protocol
- Central question: do we need to increase efforts on cleaner air, eg. in cities and in EECCA-countries? And how?
- **GPG** (Gothenburg Protocol review Group) formed at request WGSR: Bureau members of WGSR, chairs of EMEP & WGE, chairs of TFIAM, TFTEI and TFRN
- List of questions to scientists (WGSR – December 2020):
