

NEBEI Work plan

Network of Experts on Benefits and Economic Instruments

Mike Holland

mike.holland@emrc.co.uk

Workplan looking back

- Guidance document on Economic Instruments
- Gothenburg cost-benefit analysis
- Assess demand/need for NEBEI

Current workplan

- Finalise Gothenburg reporting on CBA
- Consider differences in methods
 - EU/CAFE-CBA
 - UK government
 - USEPA
 - ExternE
 - ...
- Economic instruments

Current workplan

- Communication
 - Broaden discussion of benefits
 - TFIAM
 - TFH
 - ICP M&M
 - ICP Vegetation
 - TFRN
 - Interest in ecosystem services
 - Maintenance/refinement of health models
- Website

Future workplan

- Continue existing work
 - Website up and running
 - Formalise the workplan
 - Finalise model comparison, recommend further action

Future workplan

- Ideas for new work
 - National benefits models
 - Promote broad-based cobenefits work
 - Climate, transport, fuel poverty...
 - Investigate the costs and benefits of the measures that got away
