

Scientific Recognition: Energy

Advisory Boards and Steering Committees

Jessica Jewell

- Contributing Author, Intergovernmental Panel on Climate Change (IPCC) Fifth Assessment Report, Working Group III, Chapter 6: Assessing Transformation Pathways.
- Contributing Author, IPCC Fifth Assessment Report, Working Group III, Chapter 7: Energy Systems.
- Contributing Author, IPCC Fifth Assessment Report, Working Group III, Chapter 10: Industry.
- Contributing Author, IPCC Fifth Assessment Report, Working Group III, Chapter 14: Regional development and cooperation.

Nils Johnson

- Scientific Coordinator, Global Environment Facility-IIASA-UN Industrial Development Organization partnership on Integrated Solutions for Water, Energy, and Land.
- Contributing Author, IPCC Fifth Assessment Report, Working Group III, Chapter 6: Assessing Transformation Pathways.

Volker Krey

- Lead Author, IPCC Fifth Assessment Report, Working Group III, Technical Summary.
- Lead Author, IPCC Fifth Assessment Report, Working Group III, Chapter 6: Assessing Transformation Pathways.
- Contributing Author, IPCC Fifth Assessment Report, Working Group III, Chapter 9: Buildings.
- Lead Author, IPCC Fifth Assessment Report, Working Group III, Annex 2: Metrics and Methodology.
- Contributing Author, Emissions Gap Report 2014: A UN Environment Programme Synthesis Report, Chapter 2: What Emission Levels Will Comply with Temperature Limits?
- Member of the IPCC Task Group on Data and Scenario Support for Impact and Climate Analysis for the Fifth Assessment Report cycle.
- Member of the Steering Committee of the Energy Modeling Forum (EMF) 27 Exercise at Stanford University.
- Member of the Steering Committee of the EMF 30 Exercise at Stanford University.
- Co-chair of the Scientific Working Group on "Data Protocols and Management" of the Integrated Assessment Modeling Consortium.

Peter Kolp

- Contributing Author, IPCC Fifth Assessment Report, Working Group III, Chapter 5: Drivers, Trends and Mitigation.
- Contributing Author, IPCC Fifth Assessment Report, Working Group III, Chapter 6: Assessing Transformation Pathways.

David McCollum

- Lead Author, IPCC Fifth Assessment Report, Working Group III, Chapter 6: Assessing Transformation Pathways.
- Contributing Author, IPCC Fifth Assessment Report, Working Group III, Chapter 12: Human settlements, infrastructure and spatial planning.
- Lead Author, Emissions Gap Report 2014: A UN Environment Programme Synthesis Report, Chapter 2: What Emission Levels Will Comply with Temperature Limits?

Nebojsa Nakicenovic

- Member of the Scientific Advisory Panel on Macroeconomic Effects and Distributional Issues of the Energy Transition, German Federal Ministry for Economic Affairs and Energy (2015–Present).
- Member of the United Nations Secretary General Special Advisory 10-Member Group to support the Technology Facilitation Mechanism (2016–Present).
- Co-Chair of the Scientific Steering Committee of the Global Carbon Project, Commonwealth Scientific and Industrial Research Organisation, Canberra, Australia (2013–2016).
- Member of the Innovation for Cool Earth Forum Committee, Tokyo, Japan (2014–Present).
- Member of OMV (Austrian oil company) Advisory Group on Sustainability (2011–Present).
- Member of the UN Secretary General's High-Level Technical Group on Sustainable Energy for All, UN, New York, USA (2011–Present).
- Member of the Steering Committee, Renewable Energy Policy Network for the 21st Century (REN21), Paris, France (2010–Present).
- Member of the International Advisory Board of the Helmholtz Programme on Technology, Berlin, Germany (2010–Present).
- Board Member, Mitigation program of the Global Network for Climate Solutions, Earth Institute at Columbia University, New York, USA (2010–Present).
- Member, Advisory Council of the German Government on Global Change (WBGU), Berlin, Germany (2008–Present).
- Member of the Global Energy International Prize Committee, Russian Research Center "Kurchatov Institute", Moscow, Russia (2008–Present).

- Member of the Integrated Assessment Modeling Consortium, (2007–Present).
- Expert for Energy Economics of WEC Austrian National Committee, Vienna, Austria (2003–Present).

Shonali Pachauri

- Member of Technical Advisory Group, ENERGIA Gender & Energy Research Programme (2014-2019).

Keywan Riahi

- Project Coordinator and member of Coordination Board, Linking Climate and Development Policies-Leveraging International Networks and Knowledge Sharing (CD-LINKS), EU Horizon 2020 project (2015-2019).
- Advisory Board, Calculating and Operationalizing the Multiple Benefits of Energy Efficiency in Europe, EU Horizon 2020 project (2015-2018).
- Advisory Board, Vulnerability, Impacts, Adaptation, and Climate Services for Coupled Model Intercomparison Project-6 (2015–Present).
- Coordination Board, Modelling and Informing Low Emission Strategies, EU Funded project (2014–Present).
- Scientific Steering Group, Advanced Model Development and Validation for Improved Analysis of Costs and Impacts of Mitigation Policies, EU FP-7 project (2013-2016).
- Committee Member, International Committee on New Integrated Climate Change Assessment Scenarios (2011–Present).
- Scientific Steering Committee, Integrated Assessment Modeling Consortium (2007–Present).
- Co-chair, Working Group on Scenarios for Shared Socioeconomic Pathways, Integrated Assessment Modeling Consortium (2009–Present).

Joeri Rogelj

- Lead Author, Emissions Gap Report 2015: A UN Environment Programme (UNEP) Synthesis Report, Chapter 2: The importance of pre-2020 action.
- Contributing Author, Emissions Gap Report 2015: A UNEP Synthesis Report, Chapter 3: The emissions gap in 2025 and 2030.

Bing Zhu

- Member and Secretary for IIASA Affairs, Advisory Expert Committee of National Natural Sciences Foundation of China on Cooperation with IIASA, Belmont Forum, and other international organizations.
- Member, Technical Committee of Optimal Control, International Federation of Automatic Control.
- Vice Chair, Chemical Techno-Economics Committee, Chinese Technology Economics Society.
- Member, Steering Committee, Chinese Society of Technology Economics.
- Vice Chair, Circular Economy Committee, Chinese Ecological Economics Society.
- Member, Industrial Ecological Economics and Technology Committee, Chinese Society of Ecological Economics.
- Member, Economics Committee, Chinese Petroleum Society.

Editorships

Jessica Jewell

- Editorial Board Member, *Energy Research and Social Science* (2015–Present).

Volker Krey

- Associate Deputy Editor of *Climatic Change* (2010–Present).
- Guest co-editor of the special issue on Energy Modeling Forum 27 in *Climatic Change* (2012–Present).

Nebojsa Nakicenovic

- Guest Editor, *Environmental Research Letters* (2015–Present).
- Editorial Board Member, *Ecosystem Health and Sustainability* (2014–Present).
- Editorial Board Member, *The Scientific World Journal* (2012–Present).
- Editorial Board Member, *Energy Strategy Reviews* (2011–Present).
- Advisory Board Member, *Technological Forecasting and Social Change* (2010–Present).
- Editorial Board Member, *Current Opinion in Environmental Sustainability* (2009–Present).
- Editorial Board Member, *International Journal of Energy Sector Management* (2006–Present).
- Advisory Board Member, *Climate Policy* (2000–Present).
- Advisory Board Member, *International Journal on Climate Policy* (2000–Present).
- Editorial Board Member of *Environmental Innovation and Societal Transitions*, Elsevier (2011–Present).

Shonali Pachauri

- Editorial Board Member, *Economics of Energy & Environmental Policy* (2011–Present).
- Guest co-editor of the special issue on Clean Cooking Fuels and Technologies in Developing Economies in *Energy Policy*.

Keywan Riahi

- Editorial Advisory Panel member in Social Science and Policy, *Nature Energy* (2015–Present).
- Associate Editor, *Energy Strategy Reviews* (2015–Present).
- Co-editor, special issue on Shared Socioeconomic Pathways (SSPs): Quantification of the New SSPs for Climate Change Research, *Global Environmental Change* (2014-2016).
- Co-editor, special section on the Assessment of Climate Change Mitigation Pathways and Evaluation of the Robustness of Mitigation Cost Estimates intermodel comparison on the economics of climate stabilization, *Technological Forecasting and Social Change* (2014-2015).

Joeri Rogelj

- Reviewer Editorial board Member, *Frontiers in Energy Research* (2013–Present).

Bing Zhu

- Member of Editorial Board, *Technology in Society*.
- Member of Editorial Board, *Chemical Industry* (Chinese Journal).
- Member of Editorial Board, *Energy Conservation and Emission Reduction in Petroleum and Petrochemical Industry* (Chinese Journal).
- Member of Editorial Board, *Coal Processing & Comprehensive Utilization* (Chinese Journal).

Lectures & Presentations*Colin Cameron*

- Gave presentation on “Energy Access in a 2 Degree World” at Energy Program Internal Seminar, Laxenburg, Austria, 20 April 2015.

Oliver Fricko

- Participated in Linking Climate and Development Policies-Leveraging International Networks and Knowledge Sharing (CD-LINKS) Kick-Off Meeting and Stakeholder Workshop, Laxenburg, Austria, 28 September-1 October 2015.
- Gave a presentation on “Representing (Air-)Pollution in MESSAGE” for the Energy Program Internal Seminar, Laxenburg, Austria, 6 October 2015.
- Gave a poster presentation on “Energy sector adaptation in response to water scarcity” at IIASA Systems Analysis Conference, Laxenburg, Austria, 11-13 November 2015.
- Gave a poster presentation on “Energy sector adaptation in response to water scarcity” (which was awarded as Outstanding Poster of the Conference) at and participated in the Eighth Annual Meeting of the Integrated Assessment Modeling Consortium, in Potsdam, Germany, 16-18 November 2015.

Matthew Gidden

- Participated in the Global Environment Facility-IIASA-UN Industrial Development Organization partnership on Integrated Solutions for Water, Energy and Land Scoping Meeting, Laxenburg, Austria, 30 October 2015.

Daniel Huppmann

- Participated in Linking Climate and Development Policies-Leveraging International Networks and Knowledge Sharing (CD-LINKS) Kick-Off Meeting and Stakeholder Workshop, Laxenburg, Austria, 28 September-1 October 2015.
- Gave a presentation on “Beyond Optimization - Towards Market Equilibria and Explicit Behavioral Decisions in Energy Systems Modeling” at Energy Program Internal Seminar, Laxenburg, Austria, 15 October 2015.
- Gave a presentation on “North American Natural Gas and Energy Markets in Transition: Insights from Global Models” at the Final Workshop of the International Energy Resource Markets under Climate Constraints – Strategic Behavior and Carbon Leakage in Coal, Oil, and Natural Gas Markets project on “Climate Policies and Strategic Energy Resource Markets: insights from Models and Empirics,” Berlin, Germany, 14 December 2015.

Jessica Jewell

- Gave presentations on “Update on Subsidies and Taxes Work” and “Initial Results from Experimental Runs” and participated in the Advanced Model Development and Validation for Improved Analysis of Costs and Impacts of Mitigation Policies Meeting, Utrecht, Netherlands, 21-23 January 2015.
- Participated in working meeting to discuss “The Politics of Global Energy Transformation” research project with research colleagues, Lund, Sweden, 9-11 February 2015.
- Participated in “Workshop on Politics of Energy Transitions” at Central European University, Budapest, Hungary, 12-13 February 2015.
- Gave a presentation on “Connecting Global Climate to National Energy Policies: State of the Art and Future Research Agenda” at an internal research seminar at the Interdisciplinary Climate and Energy Research Group, University of Bergen, Bergen, Norway, 15 April 2015.

- Gave a presentation on the “Concept of Energy Security” at the Vienna Conference on Comprehensive Energy Security and Conflicts at Webster University, Vienna, Austria, 18 June 2015.
- Gave a presentation on “Energy security: Predictably irrational” at Ifo-Potsdam Institute for Climate Impact Research Workshop on Assessing the Green Paradox, Munich, Germany, 3 July 2015.
- Participated as panelist in session on “Political Economy of Sustainable Energy Transitions,” speaker in dialogue session on “Sustainable Energy Transitions as an Object of Political Economy” and gave a poster presentation on “Network Analysis of International Nuclear Cooperation” at the International Sustainability Transitions 2015 Conference, London, UK, 26-28 August 2015.
- Gave a presentation on “Energy Subsidy Scenarios” at and participated in the Advanced Model Development and Validation for Improved Analysis of Costs and Impacts of Mitigation Policies Meeting, London, UK, 14 September 2015.
- Participated in Linking Climate and Development Policies-Leveraging International Networks and Knowledge Sharing (CD-LINKS) Kick-Off Meeting and Stakeholder Workshop, Laxenburg, Austria, 28 September-1 October 2015.
- Gave a presentation on “Modeling Energy Security: Intellectual History and Future Prospects” at the Institute of Energy and Climate Research, Systems Analysis and Technology Evaluation, Research Center Juelich, Juelich, Germany, 10 November 2015.
- Participated in Web-scraping Seminar at Webster University, Vienna, Austria, 20 November 2015.
- Participated in Selection Models Workshop at Webster University, Vienna, Austria, 27 November 2015.

Nils Johnson

- Participated in Advanced Model Development and Validation for Improved Analysis of Costs and Impacts of Mitigation Policies Meeting, Utrecht, the Netherlands, 21-23 January 2015.
- Gave a presentation on “Energy as a focus and integration” area during the visit of Astrid Hiller and Chizuru Aoki to discuss the Global Environment Facility Nexus project, Laxenburg, Austria, 10 February 2015.
- Gave a presentation on “Integrated Solutions for Water, Energy, and Land (ISWEL)” at Energy Program Internal Seminar, Laxenburg, Austria, 26 May 2015.
- Participated in the European Forum Alpbach, Alpbach, Austria, 31 August-1 September 2015.
- Gave a presentation on “Final Modeling Approach MESSAGE” at and participated in Advanced Model Development and Validation for Improved Analysis of Costs and Impacts of Mitigation Policies Meeting, London, UK, 14-15 September 2015.
- Participated in Linking Climate and Development Policies-Leveraging International Networks and Knowledge Sharing (CD-LINKS) Kick-Off Meeting and Stakeholder Workshop, Laxenburg, Austria, 28 September-1 October 2015.
- Gave a presentation on “Assessing the Water-Energy-Land Nexus: Challenges and Opportunities” at the Global Environment Facility-IIASA-UN Industrial Development Organization partnership on Integrated Solutions for Water, Energy and Land Scoping Meeting, Laxenburg, Austria, 30 October 2015.
- Gave a presentation on “Modeling the Energy-Water-Food Nexus: A Review of the Opportunities and Challenges for Integrated Assessment Modeling” at and participated in the Eighth Annual Integrated Assessment Modeling Consortium, Potsdam, Germany, 15-17 November 2015.
- Gave a presentation on “Energy Sector Adaptation in Response to Water Scarcity” at and participated in the 2015 American Geophysical Union Fall Meeting, 15 December 2015.

Peter Kolp

- Participated in Technical Meeting to Review the International Atomic Energy Agency’s Methodologies and Analytical Tools for Sustainable Energy Development, Vienna, Austria, 2-15 June 2015.
- Participated at the Vienna Energy Forum, Vienna, Austria, 18-20 June 2015.
- Participated in Linking Climate and Development Policies-Leveraging International Networks and Knowledge Sharing (CD-LINKS) Kick-Off Meeting, Laxenburg, Austria, 28 September-1 October 2015.

Volker Krey

- Gave a presentation on “Model diagnostics and documentation (WP1): Documentation” and chaired the session on “Model diagnostics and documentation (WP1)” at and participated in the Advanced Model Development and Validation for Improved Analysis of Costs and Impacts of Mitigation Policies Meeting, Utrecht, Netherlands, 21-23 January 2015.
- Gave a presentation on “Distributional Impacts of Climate Policies: Applications on Energy Poverty and Vehicle Adoption with the MESSAGE IAM” at Internal Seminar at Princeton University’s Program in Science, Technology and Environmental Policy, Princeton, USA, 25 March 2015.
- Participated in the Intergovernmental Panel on Climate Change (IPCC) Expert Meeting on Scenarios, Laxenburg, Austria, 18-19 May 2015.
- Participated in Technical Workshop on Understanding China’s Intended Nationally Determined Contribution (INDC), Washington D.C., USA, 21-22 May 2015.
- Participated as panelist representing IPCC Working Group III at the UN Framework Convention on Climate Change Subsidiary Body for Scientific and Technological Advice and the Subsidiary Body for Implementation on the 2013-2015 Review, Bonn, Germany, 2 June 2015.
- Gave presentation on “CD-LINKS Work Package 4” at Energy Program Internal Seminar, Laxenburg, Austria, 30 June 2015.

- Gave presentations on “Connection between Development, Other ‘Externalities’ and Climate” and “The Energy Transformation in 2° Pathways: Upscaling Technology, Investment Needs, Stranded Assets, and the Role of Energy Demand” at and participated in the Our Common Future Under Climate Change International Scientific Conference, Paris, France, 7-9 July 2015.
- Gave a presentation on “Energy Saving, Renewable Sources and CCS for a Sustainable Development” at Sulcis Carbon Capture and Storage Summer School, Carbonia, Italy, 13 July 2015.
- Gave a presentation on “Framing Input IAM Community with Land Use Focus” at and participated in the Workshop on Negative Emissions: Bridging Societal and Mitigation Needs, Hokkaido, Japan, 3-5 September 2015.
- Gave a presentation on “Brief overview of WP4: Climate change as part of the broader development agenda—Systematic assessment of synergies and trade-offs between multiple policy objectives and CD-LINKS Project Secretariat: Data Management Plan” at the Linking Climate and Development Policies-Leveraging International Networks and Knowledge Sharing (CD-LINKS) Kick-Off Meeting and Stakeholder Workshop, Laxenburg, Austria, 28 September-1 October 2015.
- Gave a poster presentation on “The Role of Fossil Carbon Capture and Storage (CCS) in the Transformation Towards a Low-Carbon Energy System” at the IIASA Systems Analysis Conference 2015, Laxenburg, Austria, 11-13 November 2015.
- Was a chair of Poster Session and gave a poster presentation on “The Role of Fossil Carbon Capture and Storage (CCS) in the Transformation Towards a Low-Carbon Energy System” and gave presentations on “Report from the Data Protocols Scientific Working Group” and “Data Protocols and Management SWG” at the Eighth Annual Integrated Assessment Modeling Consortium, Potsdam, Germany, 16-18 November 2015.

Ben Leibowicz

- Gave a presentation on “Stimulating Radical Innovation: a Model for Allocating Resources between Technology-push and Demand-pull” at Energy Program Internal Seminar, Laxenburg, Austria, 27 July 2015.

Marek Makowski

- Gave a presentation on “Multiple-Criteria Analysis Approach to Integration of Complex Models” at the Fourteenth Workshop of the International Federation for Information Processing Working Group 7.6 on Advanced Analysis, Shanghai, China, 3-9 May 2015.
- Gave a presentation on “Can Basic Concepts of Structured Modeling Help Our Modeling Workflow?” at Energy Program Internal Seminar, Laxenburg, Austria, 9 December 2015.

David McCollum

- Gave presentations on “Transport Behaviour Modelling Update” and “Transport Behaviour Modelling: Regional Differences” and participated in Advanced Model Development and Validation for Improved Analysis of Costs and Impacts of Mitigation Policies Meeting, Utrecht, Netherlands, 21-23 January 2015.
- Gave a presentation on “Breaking Down Non-Cost Barriers to Technology Adoption is Critical for the Transport-Energy Transformation” at the International Be4 (Behaviour in Energy/Economy/Engineering/Environment) Workshop, London, UK, 20 April 2015.
- Gave presentation on “CD-LINKS Work Package 3” at Energy Program Internal Seminar, Laxenburg, Austria, 30 June 2015.
- Gave a presentation on “Improving the Behavioral Realism of Global Integrated Assessment Models: an Application to Consumers’ Vehicle Choices” at WholeSEM Annual Conference 2015: Hybrid Energy Modelling - Linkages and Interdisciplinarity, Cambridge, UK, 6 July 2015.
- Gave a presentation on “The Future Role of Fossil Energy in the Global Energy Mix: Recent Insights from Integrated Assessment Models at Our Common Future Under Climate Change Conference, Paris, France 7-10 July 2015.
- Gave a presentation on “The Global Energy System: its Transformation and Implications for the Future” at the “Alternative Economic and Monetary Systems 2015” Summer School, Vienna, Austria 27 July 2015.
- Gave presentation on “Improving the Behavioral Realism of Global Integrated Assessment Models: An Application to Consumers’ Vehicle Choices” at Energy Program Internal Seminar, Laxenburg, Austria, 8 September 2015.
- Gave a presentation on “Financial flows for climate change mitigation (Task 5.1)” at Linking Climate and Development Policies-Leveraging International Networks and Knowledge Sharing (CD-LINKS) Kick-Off Meeting, Laxenburg, Austria, 28 September-1 October 2015.
- Participated in Linking Climate and Development Policies-Leveraging International Networks and Knowledge Sharing (CD-LINKS) Stakeholder Workshop, Laxenburg, Austria, 30 September 2015.
- Participated in consultations with University College London research counterparts to discuss ongoing work on the Advanced Model Development and Validation for Improved Analysis of Costs and Impacts of Mitigation Policies project and potential future collaborations in the area of transport modeling, London, UK, 2 November 2015.
- Gave a poster presentation on “Oil Prices and their Impact on Global Carbon Dioxide Emissions” at the Eighth Integrated Assessment Modeling Consortium, Potsdam, Germany, 16 November 2015.

Jihoon Min

- Gave presentation on “Energy Efficiency Choices and Other Works on Energy Demand and Footprint” at Energy Program Internal Seminar, Laxenburg, Austria, 23 November 2015.

Nebojsa Nakicenovic

- Participated in Internal round table discussion with VOEST Alpine, Vienna, Austria, 8 January 2015.
- Participated in internal meeting on Austrian Panel on Climate Change project, Vienna, Austria, 12 January 2015.
- Gave a presentation on “Future of Mobility” at the Global Carbon Project (GCP) Workshop at Toyota High-Level Symposium on Sustainable Cities, Toyota City, Aichi, Japan, 15 January 2015.
- Participated in the 28th Meeting of the International Council for Science Committee on Scientific Planning and Review and Deep Decarbonization Pathways Project Consortium Meeting, Paris, France, 26-27 January 2015.
- Participated in the Third Innovation for Cool Earth Forum Steering Committee Meeting, Paris, France, 4 February 2015.
- Participated as a panelist for session on “Climate Change Adaptation and Mitigation” and participated in the Fifteenth Delhi Sustainable Development Summit: Sustainable Development Goals and Dealing with Climate Change’, New Delhi, India, 5-7 February 2015.
- Gave “Welcome remarks and Initial Partnership Discussions” and presentation on the “Nexus Approach” during the visit of Astrid Hiller and Chizuru Aoki to discuss the Global Environment Facility (GEF) Nexus project, Laxenburg, Austria, 10 February 2015.
- Participated in “9. Internationale Energiewirtschaftstagung-Energiesysteme im Wandel: Evolution oder Revolution?” Vienna, Austria, 11 February 2015.
- Participated in the Forty-First Session of the Intergovernmental Panel on Climate Change, Nairobi, Kenya, 24-25 February 2015.
- Gave a presentation on “The Road to Paris: From Global Commitments to National Pledges and Co-Benefits” at and participated in the ALPS International Symposium: Effective Frameworks and Measures for Climate Change to COP21, Tokyo, Japan, 26-27 February 2015.
- Gave a presentation on “Integrated Research: Nexus Partnership Studies with GEF and the World in 2050 Project” at the Inter-Sectoral Impact Model Intercomparison Project Cross Sectoral Workshop, Laxenburg, Austria, 3 March 2015.
- Participated in “Round Table-Gespräch zur Umsetzung einer internationalen Energiedrehscheibe in Österreich”, Vienna, Austria, 5 March 2015.
- Gave a presentation on “Future of Urbanization” at the The World in 2050 Interactive Science Meeting, Laxenburg, Austria, 10 March 2015.
- Participated in the “Towards a Sustainable Future Public Lecture”, Vienna, Austria, 12 March 2015.
- Participated in the Science Advisory Panel, Joint Global Change Research Institute, Pacific Northwest National Laboratory, College Park, MD, USA, 23-24 March 2015.
- Participated in meeting with representatives of US Office of Science and Technology Policy, Washington, D.C., USA, 24 March 2015.
- Participated in meeting with Global Environmental Facility representatives, Washington, D.C., USA, 25 March 2015.
- Participated in meeting of OMV Resourcefulness Advisory Board 2015-2016, Vienna, Austria, 27 March 2015.
- Gave a presentation on “Energy Scenarios and Their Drivers” as part of Module 9: Energy Perspectives and the Environment on Energy Scenarios and Their Drivers of Masters of Science Program on Renewable Energy in Central and Eastern Europe, Vienna, Austria, 29 March 2015.
- Participated in IIASA Science Advisory Committee Meeting, Laxenburg, Austria, 20-21 April 2015.
- Participated in a panel session on “From Ancient to De-Spatialized Hyper-Cities” at the Nobel Laureates Symposium Series on Global Sustainability 4C: Changing Climate, Changing Cities, Hong Kong, 22-25 April 2015.
- Participated in the 30th Scientific Committee Meeting and Science Symposium of the International Geosphere-Biosphere Programme, Laxenburg, Austria, 27-29 April 2015, as follows: Gave welcome remarks (27 April 2015); gave a presentation on “Overview of Global Carbon Project 2015” (28 April 2015); participated in 5th Vienna Energy Forum Group Steering Committee Meeting, Vienna, Austria, 8 May 2015.
- Gave a presentation on “Integrated Solutions for Water, Energy and Land at Global Environment Facility, IIASA and UN Industrial Development Organization Partnership Working Meeting, Vienna, Austria, 8 May 2015.
- Participated in Meeting with the Brazilian Minister of the Environment - Izabella Mônica Vieira Teixeira to discuss UN Sustainable Development Goals and the road to Paris, Brasilia, Brazil, 15 May 2015.
- Participated in the IPCC Expert Meeting on Scenarios, Laxenburg, Austria, 18-20 May 2015, as follows: Gave welcome remarks as host (18 May 2015); participated as chairperson of Plenary Session 2: The RCP/SSP Framework for Integrated Climate Change Research (18 May 2015); participated in the Second Ministerial Meeting of the Energy and Climate Partnership of the Americas “Reforms that promote investment and sustainability in the energy sector” and Clean Energy Ministerial 6, Mérida, Yucatán, Mexico, 25-28 May 2015.
- Participated as panelist in Panel Session 2: “Global Challenges for Science to Policy” at the International Symposium & Public Lecture “Science-Policy in a Global Context”, Laxenburg, Austria, 1 June 2015.
- Gave a presentation on “Mitigation of Climate Change and Sustainable Development” in Seventeenth World Meteorological Congress, Geneva, Switzerland, 2 June 2015.

- Participated in Forty-second session of Subsidiary Body for Scientific and Technological Advice, Bonn, Germany, 3-5 June 2015.
- Participated in the IIASA Council Retreat and the Eighty-Sixth Meeting of the IIASA Council, Alpbach, Austria, 14-17 June 2015.
- Gave welcoming remarks as a co-organizer and was panelist at side event on "Nexus – Integrated Solutions for a Sustainable Future" and gave keynote presentation at "High-level panel VIII: Post-2015 Development Agenda: SDG Summit and Beyond" at Vienna Energy Forum, Vienna, Austria, 18-20 June 2015.
- Participated in 14th GCP Scientific Steering Committee Meeting, Oslo, Norway, 22-24 June 2015.
- Gave a framing lecture on energy at panel session on "The European Union and Larger Pan Europe in a Global Context: Externalities and Teleconnections" at high level on day strategic conference on "Europe Current Evolution", Prague, Czech Republic, 24 June 2015.
- Gave an opening perspective on "Perspectives on Recent Trends and Developments" at IAC-IAP Workshop on Realizing a Sustainable Energy Future: Roles and Tasks for the World's Academies, Amsterdam, Netherlands, 26 June 2015.
- Participated in Future Earth Workshop on Engagement with Core Projects to Advance Future Earth Agenda, Paris, France, 6 July 2015.
- Participated as Chair of Ph.D. examination of Mr. Ruben Bibas, Paris, France, 6 July 2015.
- Gave a presentation as contributor to "The Climate Debate: Interpreting Signs from the Future - Panel Debate", Paris, France, 6 July 2015.
- Participated in "Common Future Under Climate Change Scientific Conference", Paris, France, 7-10 July 2015, as follows: Gave keynote speech on "Conceptualizing our Future: Storylines and Scenarios of Future Climate Change" at Plenary Session 2: Landscapes of Our Common Future (8 July 2015); gave a presentation on "Beyond Paris to 2050 and thereafter – multiple benefits of a global transformation toward sustainable futures" at Parallel Session: The World in 2050 – What does it look like and how do we get there? (8 July 2015); gave introductory keynote at "Side event: New Frontiers for Integrated Assessment of Climate Change and Policies" (8 July 2015).
- Participated in visit of Vice President of the Islamic Republic of Iran for Science and Technology to IIASA, Laxenburg, Austria, 23 July 2015.
- Participated in Energy Modeling Forum Workshop on Climate Change Impacts and Integrated Assessment, Snowmass, USA, 26-30 July 2015.
- Participated in meetings to discuss Intergovernmental Panel on Climate Change (IPCC) related activities, Beijing, China, 5-9 August 2015.
- Participated in meetings to discuss IPCC related activities, New Delhi, India, 10-12 August 2015.
- Participated as a board member of Japan's National Institute for Environmental Studies International Advisory Board 2015, Tokyo, Japan, 17-19 August 2015.
- Participated in the Alpbach-Laxenburg Group Meeting and gave a presentation at Plenary Discussion 1: Addressing External Risks at Plenary of the Political Symposium of the European Forum Alpbach on Sustainable Development Goals: from Aspirations to Reality, Alpbach, Austria, 30 August-1 September 2015.
- Participated in Second Session (10th Part) of the Second Session of the Ad-Hoc Working Group on the Durban Platform for Enhanced Action, Bonn, Germany, 2-3 September 2015.
- Participated in IIASA Evaluation Committee Meeting, Laxenburg, Austria, 7-8 September 2015.
- Gave a remote video presentation on "Climate Change 2014: Mitigation of Climate Change: Overview and Energy" for Outreach Event on the IPCC Fifth Assessment Report, Istanbul, Turkey, 10 September 2015.
- Gave keynote presentation on "Global Energy Perspectives for Responding to the Climate Change Challenge" at Klima- und Energiemodellregionen: Pioniere der Energiewende – Finanzierung als Schlüssel für die Energiezukunft, Vienna, Austria, 16 September 2015.
- Participated in a dinner at the Swedish Embassy in Vienna for Guest of Honor, Dr. Maja Fjaestad, State Secretary, Office of the Prime Minister, Vienna, Austria, 17 September 2015.
- Participated in 3rd International Conference on Sustainable Development, 7th SDSN Leadership Council Meeting and United Nations General Assembly, New York, USA, 23-26 September 2015.
- Participated in Austrian Embassy in Zagreb, Croatian luncheon meeting held in honor of Prof. Dr. Nebojsa Nakicenovic to discuss IPCC related activities, Zagreb, Croatia, 28 September 2015.
- Gave a lecture on "Achieving Sustainable Development Goals (SDG) including Energy for All within Planetary Boundaries", 10th Conference on Sustainable Development of Energy, Water and Environment Systems, Dubrovnik, Croatia, 28-29 September 2015.
- Gave "Welcome and Opening Remarks" at Linking Climate and Development Policies-Leveraging International Networks and Knowledge Sharing (CD-LINKS) Stakeholder Workshop, Laxenburg, Austria, 30 September 2015.
- Participated in the 42nd Session of the IPCC, Dubrovnik, Croatia, 5-8 October 2015.
- Participated in the Joint Meeting of the Strategic Research Council and NMO-Finland, Laxenburg, Austria, 11-13 October 2015.
- Participated in expert group meeting with Mr. Karl Falkenberg (Hors classe Senior Advisor for Sustainable Development, European Political Strategy Centre) on how to operationalize the universal sustainable development agenda within the context of the European Union, Brussels, Belgium, 15 October 2015.
- Gave welcome remarks, presentation on "GEF-IIASA-UNIDO Partnership: Overview" and closing remarks, recommendations and next steps at the Integrated Solutions for Water, Energy, and Land Scoping Meeting, Laxenburg, Austria, 30 October 2015.
- Participated in National Member Organization bilateral meetings with Mexico, Mexico City, Mexico, 2-3 November 2015.
- Participated in the Austrian Young Energy Professionals Forum as a member of the advisory board overseeing this project, Vienna, Austria, 5 November 2015.

- Participated in the 87th IASA Council Meeting, Laxenburg, Austria, 9-10 November 2015.
- Gave a presentation on “Recent Applications of Systems Analysis for Achieving Sustainable Futures” at the Systems Analysis 2015 Conference, Laxenburg, Austria, 11 November 2015.
- Participated in meeting of OMV Advisory Board for Resourcefulness as member of this advisory board, Vienna, Austria, 12 November 2015.
- Gave a presentation on “VU Energiewirtschaft-Vertiefung – Fossil Energy Resources”, Vienna, Austria, 16 November 2015.
- Participated as a panelist at side event of 60th Session of the General Conference of UNIDO on “Sustainable Industrialization for Climate Action”, Vienna, Austria, 3 December 2015.
- Participated in the UN Climate Change Conference of the Parties 21 and Side Events, Paris, France, 6-10 December 2015, as follows: Gave a keynote presentation on “Transforming energy-systems toward a sustainable future within planetary boundaries” at COP21 UN Side Event: Pathways to Sustainable Energy for a Climate Friendly World (7 December 2015); participated as expert/discussant in session on “What is Beyond the Horizon?” at Future Energy Forum: Climate Change and Energy of the Future (9 December 2015).

Shonali Pachauri

- Gave presentations on “Initial Results from the Access Modelling Work” and participated in Advanced Model Development and Validation for Improved Analysis of Costs and Impacts of Mitigation Policies Meeting, Utrecht, Netherlands, 21-23 January 2015.
- Participated in ENERGIA Technical Advisory Group Meeting and ENERGIA Inception Meeting, Geneva, Switzerland, 10-12 February 2015.
- Participated in European Research Council SH-3 Review Committee Meeting, Brussels, Belgium, 19-21 May 2015.
- Gave keynote presentation on “Energy Access: Synergies with Other Developmental and Climate Goals” at the 38th International Association for Energy Economics Conference, Antalya, Turkey, 26 May 2015.
- Gave a presentation on “Health and Climate Burden of Electricity Poverty” at ClimateWorks Non-CO2 Summit, Ljubljana, Slovenia, 16 June 2015.
- Gave a presentation on “Workstreams and Task Presentations – Direct Energy” at Kick-off Meeting of European Research Council Grant Project on Decent Living Energy, Laxenburg, Austria, 29 June 2015.
- Gave presentation on “CD-LINKS Work Package 1” at Energy Program Internal Seminar, Laxenburg, Austria, 30 June 2015.
- Gave a presentation on “Energy Access Modeling and Results” at the Advanced Model Development and Validation for Improved Analysis of Costs and Impacts of Mitigation Policies Meeting, London, UK, 14-16 September 2015.
- Participated in European Research Council SH-3 Review Committee Meeting, Brussels, Belgium, 22-25 September 2015.
- Participated in Linking Climate and Development Policies-Leveraging International Networks and Knowledge Sharing (CD-LINKS) Kick-Off Meeting, Laxenburg, Austria, 28 September-1 October 2015.
- Gave a presentation on “Energy Access Policies: Successes and Failures” and served as panelist in discussion on “lessons from past policy experiences and factors determining their success or failure” at Linking Climate and Development Policies-Leveraging International Networks and Knowledge Sharing (CD-LINKS) Stakeholder Workshop, Laxenburg, Austria, 30 September 2015.
- Participated in World Health Organization Meeting on Indicators for Household Energy Use, Gender and Health, Washington, D.C., 13-14 October 2015.
- Participated in Waterloo Global Science Initiative Advisory Group Workshop, Waterloo, Canada, 18-21 October 2015.
- Participated in Scoping Phase Meeting for Technical Advisory Group Meeting of the ENERGIA Gender and Energy Research Programme, 16-20 November 2015.

Simon Parkinson

- Gave presentation on “Enhanced Spatial Modeling of Global Municipal Freshwater Use” at Energy Program Internal Seminar, Laxenburg, Austria, 16 March 2015.
- Gave a presentation on “Robust Response to Hydro-Climatic Change in Electricity Generation Planning” at Workshop with BC Hydro Energy Planners, Victoria, Canada, 27 March 2015.
- Gave a presentation on “Identifying a Sustainable Long-Term Infrastructure Strategy for Saudi Arabia with a Coupled Electricity-Water Optimization Model” at the Second International Conference on Energy, Sustainability and Climate Change, Chania, Greece, 25 June 2015.

Narasimha Rao

- Participated in internal working meeting to discuss research collaboration with the Centre for Policy Research, New Delhi, India, 26-31 January 2015.
- Gave a presentation on “Climate Change and Poverty: Energy Price Channels” at World Bank Climate Change and Poverty Conference, Washington D.C., USA, 9 February 2015.
- Gave a presentation on “Toward a Robust Development Focused INDC for India” at Workshop Toward a Robust Development Focused INDC for India, New Delhi, India, 18 February 2015.
- Participated in internal working meeting to discuss research collaboration with the Centre for Policy Research, New Delhi, India, 19-20 February 2015.

- Participated in working meeting to discuss future research activities with Institute for Sustainable Development and International Relations counterparts, Paris, France, 2 March 2015.
- Gave a presentation on "Poverty Eradication in a Climate-Constrained World: The Problem with Problem Formulation" to Centre International de Recherche sur l'Environnement et le Développement researchers, Nogent-sur-Marne Cedex, France, 3 March 2015.
- Gave a presentation on "Quantifying Development Needs: An Energy-centered Approach to Climate Justice" at Global Climate Policy Conference, New Delhi, India, 30 April 2015.
- Participated in the Intergovernmental Panel on Climate Change Expert Meeting on Scenarios, Laxenburg, Austria, 18-20 May 2015.
- Participated in IIASA Council Retreat and the Eighty-Sixth meeting of the IIASA Council, Alpbach, Austria, 14-16 June 2015.
- Gave "Welcome and Introductions" remarks, presentations on "Project Motivation and Overview" and "Workstreams and Task Presentations – Infrastructure" at Kick-off Meeting of European Research Council Grant Project on Decent Living Energy, Laxenburg, Austria, 29 June 2015.
- Participated in the 11th International Conference of the European Society for Ecological Economics 2015: Transformations, Leeds, UK, 1-3 July 2015.
- Gave presentations on "Quantifying Development Needs: An Energy-centered Approach to Climate Justice", "Climate and Development "Conflict"? Asking the Right Questions" and "The Interaction of Climate Mitigation and Universal Energy Access Policies", at and participated in the Our Common Future Under Climate Change International Scientific Conference, Paris, France, 7-9 July 2015.
- Gave a presentation on "Inequality and Climate Mitigation: from the Global to Sub-National" at Political Symposium on Inequality, European Alpbach Forum, Alpbach, Austria, 31 August 2015.
- Participated in Linking Climate and Development Policies-Leveraging International Networks and Knowledge Sharing (CD-LINKS) Kick-Off Meeting and Stakeholder Workshop, Laxenburg, Austria, 28 September-1 October 2015.
- Gave "Welcome and Introductions" remarks, presentations on "Research Objective and Potential Contributions" and "Household Consumption" at Household Carbon Footprinting Workshop of European Research Council Grant Project on Decent Living Energy, Laxenburg, Austria, 23 October 2015.
- Gave a poster presentation on "Analyses of Distributional Impacts of Mitigation Pathways and/or Climate Change, and of Synergies and Trade-offs between Efficiency and Equity of Climate Policies" at the Eighth Integrated Assessment Modeling Consortium (IAMC), Potsdam, Germany, 16 November 2015.
- Conducted a Focus Group Meeting on Decent Living Basket, an activity of the European Research Council-supported Decent Living Energy project, London, UK, 27 November 2015.

Keywan Riahi

- Participated in Nexus 2020 Proposal Writing Meeting, Oxford, UK, 8-9 January 2015.
- Participated in the Kick-Off Meeting of the Modelling and Informing Low Emission Strategies project, Paris, France, 14-16 January 2015.
- Participated as chair of Session 2: "Behavioral Options in Buildings, and Implications for Modelling", Advanced Model Development and Validation for Improved Analysis of Costs and Impacts of Mitigation Policies (ADVANCE) Expert Workshop on "Innovation in Relation to Building Energy Demand in IAMs", Utrecht, Netherlands, 20-21 January 2015.
- Gave introductory talk on session on "Representation of Existing Policies and Demand Side Heterogeneity" and participated in ADVANCE Meeting, Utrecht, Netherlands, 21-23 January 2015.
- Participated in the session of "Final discussion on proposal, project funding, co-funding, next steps" during the visit of Astrid Hiller and Chizuru Aoki to discuss the Global Environment Facility Nexus project, Laxenburg, Austria, 10 February 2015.
- Gave a presentation on "Substantive Priorities for Future Assessments of Social Science Research" at "Workshop on Assessment and Communications of the Social Science of Climate Change: Bridging Research and Policy", Berlin, Germany, 19 February 2015.
- Gave a presentation on the "Status of the SSP Scenarios" at the Inter-Sectoral Impact Model Intercomparison Project Cross Sectoral Workshop, Laxenburg, Austria, 3 March 2015.
- Gave a presentation on "Energy: Challenges and Drivers" at the The World in 2050 Interactive Science Meeting, Laxenburg, Austria, 10 March 2015.
- Served as panelist in European Geosciences Union General Assembly, Great Debate on "Negotiating Climate Policy – Resigning to Resilience", Vienna, Austria, 16 April 2015.
- Gave a presentation on "Energy and the Global Energy Assessment" at visit of UK Research Councils to IIASA, Laxenburg, Austria, 22 April 2015.
- Served as a panelist in International Symposium & Public Lecture "Integrated Science for Sustainable Transitions", in a session on "Emerging Trends in Integrated Science", Laxenburg, Austria, 29 April 2015.
- Gave a presentation on "The Water-Energy-Land Nexus: The Role of Energy" at Meeting of the Global Environment Facility, IIASA and UN Industrial Development Organization Partnership, Laxenburg, Austria, 8 May 2015.
- Gave presentations on "Introduction and Meeting Objectives" and "Overview of the SSP-based Quantitative Projections and the Use of SPAs" and chaired "Plenary Session 6: Possible Role of Scenarios in Future IPCC Products, and of the IPCC in the Continuing Scenario Process" at Intergovernmental Panel on Climate Change Expert Meeting on Scenarios, Laxenburg, Austria, 18-20 May 2015.

- Gave a presentation on “the Energy Program” at the Future Earth Science and Engagement Committees Meeting, Session 3: Engaging with IIASA: Interactive Session, Laxenburg, Austria, 2 June 2015.
- Gave lectures as a visiting professor on Energy Systems Analysis, Institute of Thermal Engineering, Graz University of Technology, Graz, Austria, 10-12 June and 25-26 June 2015.
- Participated in IIASA Council Retreat and the Eighty-Sixth meeting of the IIASA Council, Alpbach, Austria, 15-16 June 2015.
- Gave “Welcome and Introductions” remarks at Kick-off Meeting of European Research Council Grant Project on Decent Living Energy, Laxenburg, Austria, 29 June 2015.
- Gave a presentation on “Interactions Across Impact Sectors” at the Snowmass Conferences: Climate Change Impacts and Integrated Assessment, Snowmass, Co., USA, 28 July 2015.
- Member of Austrian delegation of Official Visit of Austrian Federal President Dr. Heinz Fischer to the Islamic Republic of Iran, Tehran, Iran, 6-11 September 2015.
- Gave a presentation on Introduction: Representation of existing policies & demand side heterogeneity (WP3), ADVANCE London, UK, 14 September 2015.
- Gave presentations on “Overview of the CD-LINKS project and key objectives of project and meeting”, “CD-LINKS summer school and exchange program” and chaired session on “Brief Introduction of CD-LINKS partners and management team” at Linking Climate and Development Policies-Leveraging International Networks and Knowledge Sharing (CD-LINKS) Kick-Off Meeting, Laxenburg, Austria, 28 September-1 October 2015.
- Gave a presentation on “Meeting Objectives and Introduction to CD-LINKS Project” at Linking Climate and Development Policies-Leveraging International Networks and Knowledge Sharing (CD-LINKS) Stakeholder Workshop, Laxenburg, Austria, 30 September 2015.
- Participated remotely in 1st Advisory Board Meeting of the Calculating and Operationalising the Multiple Benefits of Energy Efficiency in Europe, Wuppertal, Germany, 16 October 2015.
- Gave “Welcome and Introductions” remarks at Household Carbon Footprinting Workshop of European Research Council Grant Project on Decent Living Energy, Laxenburg, Austria, 23 October 2015.
- Participated in the Global Environment Facility-IIASA-UN Industrial Development Organization partnership on Integrated Solutions for Water, Energy and Land Scoping Meeting, Laxenburg, Austria, 30 October 2015.
- Gave a presentation on “The development of the RCPs and other global emissions scenarios assessed in the IPCC fifth Assessment Report” for researcher of the Institute of Atmospheric and Cryospheric Sciences, University of Innsbruck, Innsbruck, Austria, 4 November 2015.
- Gave keynote presentation on “Globale Strategien zur Begrenzung des Klimawandels - COP21: die letzte Ausfahrt Richtung 2 Grad?” at “Public Evening Event: UN framework Convention on Climate Change, 21st Conference of Partners (COP21) in Paris 2015 - Climate Change: Global Political Action and the Role of Scientific Knowledge”, Innsbruck, Austria, 4 November 2015.
- Gave presentations on “Results of the IPCC Scenario Meeting and Future Scenario Process”, and an introduction to parallel session: “From Climate Policy to Broader Sustainable Development Analysis: New IAM Analyses on the Climate Policy – Sustainable Development Nexus” and moderated discussion in this session, “Report from the Scenarios Scientific Working Group” and chaired Scenarios Scientific Working Group session at the at the Eighth Integrated Assessment Modeling Consortium, Potsdam, Germany, 16-18 November 2015.
- Participated in Kick-Off and Project Meeting of Coordinated Research in Earth Systems and Climate: Experiments, Knowledge, Dissemination and Outreach project, Exeter, UK, 25-26 November 2015
- Gave presentation on “INDCs & sustainable development interactions” at EU Side Event: “INDC Forum Panel 1: Where are we together? The aggregate effect of INDCs and their implications for sustainable development”, held at the United Nations Framework Convention on Climate Change Conference of the Parties 21, Paris, France, 8 December 2015.

Joeri Rogelj

- Participated in work visit to Swiss Federal Institute of Technology in Zurich and gave presentation at division meeting at the Swiss Federal Office of the Environment, Zurich, Switzerland, 3-6 February 2015.
- Participated in Eighth Part of the Second Session of the UN Climate Change Conference Session of the Ad-Hoc Working Group on the Durban Platform for Enhanced Action (ADP 2.8), Geneva, Switzerland, 8-13 February 2015.
- Gave a presentation on “The Path to Climate Stabilization: Where to Go and How to Get There” as part of the Advanced Geography Seminar Series, Department of Earth and Environmental Studies, Division of Geography, University of Leuven, Leuven, Belgium, 19 February 2015.
- Participated in the IPCC Expert Meeting on Scenarios, Laxenburg, Austria, 18-20 May 2015.
- Participated in United Nations Framework Convention on Climate Change (UNFCCC) meeting of Ad Hoc Working Group on the Durban Platform for Enhanced Action at its second session”, Bonn, Germany, 29 May-15 June 2015.
- Gave presentation on “CD-LINKS Work Package 2” at Energy Program Internal Seminar, Laxenburg, Austria, 30 June 2015.
- Gave a presentation on “Influence of Non-CO₂ Forcing Mitigation on Carbon Budgets” and participated in research consultation at the UK Department of Energy and Climate Change, London, 27-31 July 2015.
- Participated in Improve Modelling Capacity to Support Low Emission Development Strategies Project Meeting, Paris, France, 6-7 July 2015.

- Gave a presentation on “Cumulative carbon emissions modulated by policy options for limiting warming to below 1.5 and 2°C” at Our Common Future Under Climate Change Conference, Paris, France 7-10 July 2015.
- Gave a presentation on “Integrating SLCF Futures in Climate Research” at Snowmass Conferences: Climate Change Impacts and Integrated Assessment, Snowmass, USA, 21-23 July 2015.
- Participated in UN Framework Convention on Climate Change Expert Meeting on the Synthesis Report on the Aggregate Effect of Intended Nationally Determined Contributions (INDCs), Bonn, Germany, 20-21 August 2015.
- Participated in Steering Committee, Lead Authors and INDC Core Team Meeting to prepare for 2015 UN Environment Programme Emissions Gap Report, Copenhagen, Denmark, 25-26 August 2015.
- Participated in meeting with Grantham Institute researchers to discuss work on combining climate mitigation and the achievement of the Sustainable Energy for All objectives, London, UK, 16-22 September 2015.
- Participated in Linking Climate and Development Policies-Leveraging International Networks and Knowledge Sharing (CD-LINKS) Kick-Off Meeting and Stakeholder Workshop, Laxenburg, Austria, 28 September-1 October 2015.
- Participated in meet UK Department of Energy and Climate Change Science Team to discuss issues concerning the 2015 UNEP Emissions, London, UK, 19-21 October 2015.
- Gave presentation on “Understanding Carbon Budgets” at Energy Program Internal Seminar, Laxenburg, Austria, 24 September 2015.
- Participated in the 21st Meeting of the Conference of the Parties of the UN Framework Convention on Climate Change, including serving as panelist on side event on “Keeping warming below 2°C: Quantifying and evaluating INDCs,” Paris, France, 28 November-11 December 2015.

Manfred Strubegger

- Participated as a supervisor of a South African YSSP participant, Bloemfontein, South Africa, 10-17 January 2015.
- Gave presentation on “MESSAGE New Features” at Energy Program Internal Seminar, Laxenburg, Austria, 8 April 2015.
- Gave a training course on Model for Energy Supply Strategy Alternatives and their General Environmental Impact (MESSAGE) model at East China University of Science and Technology and gave a presentation and participated in Fourteenth Workshop of the International Federation for Information Processing Working Group 7.6 on Advanced Analysis, 3-9 May 2015.
- Participated in Technical Meeting to Review the IAEAs Methodologies and Analytical Tools for Sustainable Energy Development, Vienna, Austria, 2-15 June 2015.
- Gave a presentation to YSSP on 24 June 2015.
- Participated in Workshop to Exchange Experience among Trainers on the International Atomic Energy Agency’s Models for Energy System Planning, Vienna, Austria, 30 June-3 July 2015.
- Gave a presentation on “Energy Models and Assessment Tools” and served as resource person in “IIASA-MEMR Decision Support System Screening Workshop”, Bandung, Indonesia, 14-18 September 2015.
- Gave presentation on “Automatic Model Generation: Current Status” at Energy Program Internal Seminar, Laxenburg, Austria, 1 December 2015.

Nathaniel Tindall

- Gave a presentation on “Risk Stratification and Assessment in the Environmental Management of Multinational Firms: A Case Study” at the International Society of Industrial Ecology Conference 2015, Guildford, UK, 10 July 2015.
- Gave a presentation on “Workstreams and Task Presentations – Food” at Kick-off Meeting of European Research Council Grant Project on Decent Living Energy, Laxenburg, Austria, 29 June 2015.

Kevin Ummel

- Gave presentation on “Overview of previous research on (i) CARMA global power plant database, (ii) Spatially-explicit modeling of renewable power in South Africa, and (iii) Household GHG footprint database and implications for carbon tax policy” at Energy Program Internal Seminar, Laxenburg, Austria, 9 June 2015.
- Gave a presentation on “Workstreams and Task Presentations – Asset Penetration” at Kick-off Meeting of European Research Council Grant Project on Decent Living Energy, Laxenburg, Austria, 29 June 2015.
- Gave a presentation on “Will Climate Mitigation Policies Affect the Energy Poor? Synergies and Tradeoffs between Climate Mitigation and Universal Clean Cooking Access Goals” at 8th Annual Meeting of the Integrated Assessment Modeling Consortium, in Potsdam, Germany, 17 November 2015.
- Participated in Decent Living Basket: Focus Group Meeting (an activity of the ERC Energy for Decent Living Project), London, UK, 27 November 2015.

Johanna Zilliacus

- Gave a presentation on “CD-LINKS Project Secretariat: Implementation and process” at Linking Climate and Development Policies-Leveraging International Networks and Knowledge Sharing (CD-LINKS) Kick-Off Meeting, Laxenburg, Austria, 28 September-1 October 2015.
- Participated in Linking Climate and Development Policies-Leveraging International Networks and Knowledge Sharing (CD-LINKS) Stakeholder Workshop, Laxenburg, Austria, 30 September 2015.
